(Within the site council bylaws for each campus, it has been determined that the vice-chair of each campus' site council will be the ex-officio members of the board.)

III. OFFICERS

The officers of the MSA Board shall be the Chair, Vice-Chair, and Officer of Business Affairs, who shall be elected at the annual organizational meeting. The term of office for officers shall be one year, or until a successor is elected. No member shall serve more than two consecutive years as Chair of the MSA Board.

Duties of the Officers

1. Chair:

The Chair of the MSA Board shall preside at all board meetings and perform all other duties as prescribed by law or by the board. The chair also presides over the MSA Board Executive Committee meetings and appoints

chairs/members of all other MSA Board committees. The chair is responsible for collaborating with the MSA superintendent to develop the agenda for each board meeting. The chair represents the MSA Board in all actions and performs all duties a chair usually performs.

Biweekly, the chair must approve the MSA superintendent's time sheet in the state's Self-Service Time Entry system. In the event that the chair is unavailable to do so, the task will fall to the MSA Director of Fiscal Services.

2. Vice-Chair:

The Vice-Chair of the MSA Board shall perform the duties of the chair in the event of the chair's temporary absence. The Vice-Chair also serves on the Executive Committee.

3. Officer of Business Affairs:

The Officer of Business Affairs of the MSA Board shall sign approved board meeting minutes and other official documents as necessary. The Officer of Business Affairs also serves on the Executive Committee and chairs the MSA Board Finance Committee (*MS123B.14 Subd. 1*). The Officer of Business Affairs also performs the duties of the chair in the event of the chair and vice-chair's temporary absence.

The Officer of Business Affairs does not need to be a member of the MSA Board and can be appointed by the Chair if board members are unavailable to serve in this capacity. If the Office of Business Affairs is not a member of the board, the MSA Chair shall appoint a board member to chair the MSA Board Finance Committee.

Superintendent (Academies Administrator)

The superintendent is an ex-officio member of the MSA Board (*MS123B.14, Subd. 1*) and is hired at the discretion of the Board (*MSA Policy 304 – Superintendent Contract, Duties, and Evaluation*). The superintendent assists in the development of agendas and also serves on all board committees. The superintendent shall perform such duties as provided in the superintendent position description and as assigned by the chair, or by board action.

Vice Chairs of Site Councils

The vice chairs of each campus' site council serves as ex-officio members of the MSA Board and are responsible for communicating information, ideas, and proposals between the board and the site council that they represent. They are encouraged to gather input from the site council representatives on the posted agenda items and share that information during discussion of motions being considered.

IV. TRANSACTION OF BUSINESS

The MSA Board may transact official business only when in an official meeting publicly announced pursuant to Minnesota Open Meeting Law (*MS13D*). All meetings must be in Faribault (*MS 125A.62A, Subd.3*). An orderly board meeting allows members to participate in discussion and decisions regarding school district issues. Rules of order allow board members the opportunity to review school-related topics, discuss school business items, and bring matters to conclusion in a timely and consistent manner.

Rules of order for MSA Board meetings shall be as follows:

- A. Minnesota Statutes where specified;
- B. Minnesota State Academies Policies where specified;
- C. Specific rules of order as provided by the MSA Board, consistent with Minnesota statutes; and
- D. Robert's Rules of Order, Revised (latest edition) when not inconsistent with A. and B. above.

To ensure that board meetings are conducted in an orderly fashion, the board will follow rules of order which allow the board (*MSA Board Procedure #2000 – MSA Board Meeting Rules of Order*):

- To establish guidelines by which the business of the board can be conducted in a regular and internally consistent manner;
- To organize meetings so that all necessary matters can be brought to the board and decisions of the board can be made in an orderly and reasonable manner
- To ensure that members of the board have necessary information to make decisions on substantive issues and to ensure adequate discussion of decisions to be made; and
- To ensure that meetings and actions of the board are conducted in a manner that informs the staff and the public; and to produce a clear record of actions taken and decisions made.

For questions and guidance regarding legal issues, the board may consult with legal counsel through the Attorney General's office.

VI. AGENDA OF MSA BOARD MEETINGS

- A. While all board members may provide input, it shall be the responsibility of the board chair and superintendent to develop, prepare, and arrange the order of items for the tentative board meeting agenda for each board meeting.
- B. Persons wishing to place an item on the agenda must make a request to the board chair or superintendent in a timely manner. The person making the request is encouraged to state the person's name, purpose of the item, action desired, and pertinent background information. The chair and superintendent shall determine whether to place the matter on the tentative agenda. Site councils of each campus are also encouraged to request items to be placed on the agenda as necessary, following the same procedure.
- C. The tentative agenda and supporting documents shall be made accessible and sent (via mail, electronic means, or public posting) to the board members in advance of meetings, giving them at least three (3) days to review information and materials prior to the scheduled board meeting. The agenda becomes official upon approval by the full board at the beginning of each meeting. When the proposed agenda is posted for the members of the board, it will also be available to staff and the public via the MSA website.
- D. Items may only be added to the agenda by a motion adopted at the meeting. If an added item is acted upon, the minutes of the board meeting shall include a description of the matter.
- E. At least one copy of any printed materials, including electronic communications, relating to the agenda items of the meeting prepared or distributed by or at the direction of the board or its employees and: (i) distributed at the meeting to all members of the board; (ii) distributed before the meeting to all members; or (iii) available in the meeting room to all members shall be available in the meeting room for inspection by the public while the board considers their subject matter. A copy will also be made available to the public via the MSA website. This does not apply to materials

classified by law as other than public or to materials relating to the agenda items of a closed meeting.

VII. CONSENT AGENDAS

- A. The superintendent, in consultation with the board chair, may place items on the consent agenda. By using a consent agenda, the board has consented to the consideration of certain items as a group under one motion. When a consent agenda is used, appropriate amounts of discussion time will be allowed to review any item upon request.
- B. Consent items are those which usually do not require discussion or explanation prior to board action, are noncontroversial and/or similar in content, or are items which have already been explained and/or discussed and do not require further discussion or explanation. Such agenda items might include routine tasks such as, but not limited to, approval of previous meeting minutes, approval of reports, approval of per-diem payments, routine resolutions, etc. Consent items may also include similar groups of decisions such as, but not limited to, approval of contracts, staff hiring, and/or schedules.
- C. Items may be removed from the consent agenda by a timely request by an individual board member for independent consideration. A request is timely if made prior to the vote on the consent agenda. The request does not require a second or a vote by the board. An item removed from the consent agenda will then be assigned by the chair to an appropriate place on the agenda.
- D. Consent agenda items are approved en masse by one vote by the board. The consent agenda items shall be recorded separately in the minutes.

VIII. BOARD MEETING MINUTES AND RECORDINGS

- A. The MSA Board must maintain records of board meetings so that they are available for inspection by members of the general public and to provide for publication of its meeting minutes in compliance with law. All board meetings will be recorded to the extent possible. The recordings of the meetings will be kept on file, on an independent digital device, in the superintendent's office for 3 years (*MSA records retention schedule*). Members of the public may listen to or make copies of the recordings but may not remove the recordings from the superintendent's office.
- B. The superintendent's office shall keep and maintain permanent records of the board, including records of the minutes of board meetings and other required records of the board. All votes taken at meetings required to be open to the public pursuant to the Minnesota Open Meeting Law shall be recorded in minutes of each meeting. Public records maintained by MSA shall be available for inspection by members of the public during MSA's regular

business hours. Minutes of meetings shall be available for inspection at the superintendent's office after they have been prepared. Minutes of a board meeting shall be approved or modified by the board at a subsequent meeting, which action shall be reflected in the official proceedings of that subsequent meeting.

C. Recordings of Closed Meetings

- a. All closed meetings, except those closed as permitted by the attorney-client privilege, must be electronically recorded at the expense of MSA. Recordings of closed meetings shall be made separately from the recordings of an open meeting, to the extent such meetings are recorded. If a meeting is closed to discuss more than one (1) matter, each matter shall be separately recorded.
- b. Recordings of closed meetings shall be preserved by MSA for three years after the meeting (*MSA Records Retention Schedule*)
- c. Recordings of closed meetings shall be classified by MSA as protected non-public data that is not accessible by the public or any subject of the data, with the following exceptions:
 - i. Recordings of meetings related to the purchase or sale of property shall be classified as public data and made available to the public after all real or personal property discussed at the meeting has been purchased or sold or MSA has abandoned the purchase or sale.
 - ii. Recordings of any other closed meetings shall be classified and/or released as required by court order.
- d. Recordings of closed meetings shall be maintained separately from recordings of open meetings, to the extent recordings of open meetings are maintained by the school district, with the exception of recordings that have been classified as public data as set forth in *subparagraph c* above. Recordings of closed meetings classified as non-public data also shall be maintained in a secure location, separate from recordings classified as public data.
 - i. Recordings of closed meetings shall be maintained in a manner to easily identify the data classification of the recording. The recordings shall be identified with at least the following information:
 1. The date of the closed meeting;
 2. The basis upon which the meeting was closed (i.e.: purchase or sale of real property, educational data, etc.); and
 3. The classification of the data.
 - ii. Recordings of closed meetings related to the purchase or sale of property shall be maintained and monitored in a manner that reclassifies the recording as public upon the occurrence of an

event reclassifying that data as set forth in *subparagraph c* above.

D. Publication of Official Board Meeting Minutes –

The MSA board shall ensure that the minutes of each meeting to be published on the MSA website within ten (10) days after they have been approved by the board.

- a. The minutes must include the substance of all official actions taken by the board at any regular or special meeting, and at minimum, must include the subject matter of a motion, the persons making and seconding the motion, a listing of how each member present voted on the motion, the character of resolutions offered including a brief description of their subject matter and whether adopted or defeated.
- b. The minutes to be published must cover all essential elements of the meeting, following the outline of the posted agenda for that meeting. The minutes shall be written in a clear and coherent manner and shall, to the extent possible, avoid the use of technical or legal terms not generally familiar to the public. The posted minutes shall clearly indicate that accessible versions are available at the superintendent's office and that an electronic copy of the minutes, without attachments, is available for no cost. Paper copies will be made available to individuals at their expense.
- c. The official minutes of board meetings, signed by the Officer of Business Affairs, will be kept on file in the superintendent's office.

IX. OPEN MEETINGS AND CLOSED MEETINGS

- A. The MSA board embraces the philosophy of openness in the conduct of its business, in the belief that openness produces better programs, more efficiency in administration of programs, and an organization more responsive to public interest and less susceptible to private interest. The MSA board shall conduct its business under a presumption of openness. At the same time, the board recognizes and respects the privacy rights of individuals as provided by law. The board also recognizes that there are certain exceptions to the Minnesota Open Meeting Law as recognized in statute where it has been determined that, in limited circumstances, the public interest is best served by closing a meeting of the MSA board.
- B. Except as otherwise expressly provided by statute, all meetings of the MSA board shall be open to the public. Meetings shall be closed only when expressly authorized by law. (*Minn. Stat. Ch. 13D - Open Meeting Law*) For the purposes of this policy, "Meeting" means a gathering of at least a quorum or more members of the MSA board, or quorum of a committee or subcommittee of board members, at which members discuss, decide, or receive information as a group on issues relating to the official business of the MSA board. The term does not include a chance or social gathering or the

use of social media by members of a public body so long as the social media use is limited to exchanges with all members of the general public. For purposes of the Open Meeting Law, social media does not include e-mail.

- C. Although MSA is a school district in relation to state requirements for licensing, standards, and special education, etc., MSA is also a state educational institution (*Minn. Stat. sec. 125A.61*), thus our board is a state board rather than a school district board and subject to the requirements of a state board. The MSA board members are appointed by the governor and meetings must be held in Faribault. Members may participate in meetings via phone (or other electronic means). Members are expected to regularly attend scheduled board meetings or inform the chair or superintendent in advance of their absence. In the event that a board member has three consecutive unexcused absences, the chair may take appropriate action in accordance with *Minn. Stat. sec. 15.0575*.

D. Regular Meetings:

A schedule of the regular meetings of the MSA board shall be kept on file at the superintendent's office. If the board decides to hold a regular meeting at a time or place different from the time or place stated in its schedule, it shall give the same notice of the meeting as for a special meeting.

The board shall, at its June organizational meeting, adopt a regular meeting schedule for the next school year. The schedule shall include all regular board meetings, standing committee meetings, and the date, time, and location of those meetings. The schedule will be posted on the MSA website and on the official posting site in Tate Hall, across the hallway from the MSA superintendent's office.

E. Organizational Meeting:

Every June, during the last regular meeting of the year, the MSA board will hold an organizational meeting to complete the following tasks:

- a. Introduce new members – administer the Oath of Office; make plans for Board Orientation and Training, if not already completed.
- b. Review the Board Code of Conduct/Code of Ethics.
- c. Elect Board Officers (MSA Board Procedure #2001).
- d. Establish meeting schedule for the next school year.
- e. Begin consideration of appointments to standing committees.
- f. Approve the annual budget for the next Fiscal Year.
- g. Approve any adjustments to the MSA organizational chart.
- h. Approve any adjustments to the MSA Parent-Student Handbook.
- i. Approve memberships and appointments for MSA operations (i.e.; MSHSL membership; MDE official with Authority, etc.)
- j. Review and Reauthorize policies with annual review dates.

- k. Finalize the superintendent's evaluation with a summary of information shared during closed evaluation meeting.
- l. Review Strategic Plan Annual Reports and any other reports required in MSA policies.

F. Special Meetings:

For a special meeting, the MSA board shall post written notice of the date, time, place, and purpose of the meeting on the official posting site in Tate Hall, and the MSA website. The board's actions at the special meeting are limited to those topics included in the notice.

- a. The notice shall also be shared with each person who has filed a written request for notice of special meetings.
- b. This notice shall be posted and shared at least three days before the date of the meeting. The board shall publish the notice at least three days before the meeting on the MSA website.
- c. A person filing a request for notice of special meetings may limit the request to particular subjects, in which case the board is required to send notice to that person only concerning those particular subjects. The request expires at the end of each school year (after the June organizational meeting) and must be renewed if the individual wishes to continue receiving notices for the subsequent school year.

G. Emergency Meetings:

An emergency meeting is a special meeting called because of circumstances that, in the judgment of the board, require immediate consideration.

- a. If matters not directly related to the emergency are discussed or acted upon, the minutes of the meeting shall include a specific description of those matters.
- b. The board shall make good faith efforts to provide notice of the emergency meeting to stakeholders and post a notice on the MSA website.
- c. Notice of the emergency meeting shall be given by telephone or any other method used to notify the members of the board.
- d. The notice shall include the subject of the meeting. Posted or published notice of an emergency meeting is not be required.
- e. The notice requirements for an emergency meeting as set forth in this policy shall supersede any other statutory notice requirement for a special meeting that is an emergency meeting.

H. Recessed or Continued Meetings:

If a meeting is a recessed or continued session of a previous meeting, and the time and place of the meeting was established during the previous meeting and recorded in the minutes of that meeting, then no further published or mailed notice is necessary.

I. Closed Meetings:

The notice requirements of the Minnesota Open Meeting Law apply to closed meetings. MSA Board meetings may be closed for the following reasons:

a. Preliminary Consideration of Charges

The board shall close one or more meetings for preliminary consideration of any allegations or charges against the superintendent. If the board members conclude that discipline of any nature may be warranted as a result of those specific charges or allegations, further meetings or hearings relating to those specific charges or allegations held after that conclusion is reached must be open. A meeting must also be open at the request of the individual who is the subject of the meeting.

b. Performance Evaluations

The board may close a meeting to evaluate the performance of the superintendent. At its next open meeting, the board shall summarize its conclusions regarding the evaluation. A meeting may be open at the request of the individual who is the subject of the meeting.

c. Attorney-Client Meeting

A meeting may be closed if permitted by the attorney-client privilege. Attorney-client privilege applies when litigation is imminent or threatened, or when the board needs advice above the level of general legal advice, i.e., regarding specific acts and their legal consequences. *(Note: The board's legal counsel of record is the Minnesota Attorney General's Office)* A meeting may be closed to seek legal advice concerning litigation strategy, but the mere threat that litigation might be a consequence of deciding a matter one way or another does not, by itself, justify closing the meeting. The motion to close the meeting must specifically describe the matter to be discussed at the closed meeting, subject to relevant privacy and confidentiality considerations under state and federal law. The law does not require that such a meeting be recorded.

d. Dismissal Hearing

A hearing on dismissal of a student pursuant to the Pupil Fair Dismissal Act shall be closed unless the pupil, parent or guardian requests an open hearing. To the extent a student dismissal hearing is held before the board and is closed, the closed meeting must be recorded.

e. Meetings to Discuss Certain Not Public Data

Any portion of a meeting must be closed if the following types of data are discussed:

- i. data that would identify alleged victims or reporters of criminal sexual conduct, domestic abuse, or maltreatment of minors or vulnerable adults;
- ii. active investigative data collected or created by a law enforcement agency;
- iii. educational data, health data, medical data, welfare data, or mental health data that are not public data; or
- iv. an individual's personal medical records.

f. Security Matters

The board may close a meeting to receive security briefings and reports, to discuss issues related to security systems, to discuss emergency response procedures, and to discuss security deficiencies in or recommendations regarding public services, infrastructure, and facilities, if disclosure of the information discussed would pose a danger to public safety or compromise security procedures or responses.

Financial issues related to security matters must be discussed and all related financial decisions must be made at an open meeting.

Before closing a meeting, the board must refer to the facilities, systems, procedures, services, or infrastructures to be considered during the closed meeting.

g. Other Meetings

Other meetings shall be closed as provided by law, except as provided above.

Procedures for Closing a Meeting: The board shall provide notice of a closed meeting just as for an open meeting. A board meeting may be closed only after a majority vote at a public meeting. Before closing a meeting, the board shall state on the record the specific authority permitting the meeting to be closed and shall describe the subject to be discussed.

J. Actual Notice:

If a person receives actual notice of a meeting of the board at least 24 hours before the meeting, all notice requirements are satisfied with respect to that person, regardless of the method of receipt of notice.

X. PUBLIC PARTICIPATION IN MSA BOARD MEETINGS

- A. The MSA board recognizes the value of participation by the public in deliberations and decisions on MSA matters. At the same time, the board recognizes the importance of conducting orderly and efficient proceedings, with opportunity for expression of all participants' respective views. The board encourages discussion by citizens of subjects related to the management of the academies at board meetings. The board may adopt reasonable time, place, and manner restrictions on public expression in order to facilitate free discussion by all interested parties, at the same time as protecting the legal rights to privacy and due process of employees and students.

- B. The board will strive to give all citizens of the school district an opportunity to be heard and to have complaints considered and evaluated, within the limits of the law and this policy and subject to reasonable time, place, and manner restrictions. Among the rights available to the public is the right to access public data as provided by *MS 13.43, Subd.2 (Public Data)*.

- C. Public Participation:
Members of the public who wish to have a subject discussed at a board meeting are encouraged to notify the superintendent's office in advance of the board meeting. The individual should provide their name, address, the name of group represented (if any), and the subject to be covered or the issue to be addressed. Individuals who wish to address the board on a particular subject should identify the subject and identify agenda item(s) to which their comments pertain. At each meeting, a sign-up sheet shall be made available for individuals who wish to make comments regarding items on the agenda.
 - a. The board chair will recognize one speaker at a time, and will rule out of order other speakers who are not recognized. Only those speakers recognized by the chair will be allowed to speak. Comments by others who are not recognized by the board chair are out of order. Individuals who interfere with or interrupt speakers, the board, or the proceedings may be directed to leave. Individuals who speak during meetings must be seated in the designated area for public comment for clarity of recording and documenting comments.
 - b. The board retains the discretion to limit discussion of any agenda item to a reasonable period of time as determined by the board. If a group or organization wishes to address the board on a topic, the board reserves the right to require designation of one or more representatives or spokespersons to speak on behalf of the group or organization. ¹

¹ The chair will consider individual communication needs in determining the time allocated to each person who wishes to address the board. Every effort will be made to provide consistency and equity for all individuals.

- c. Matters proposed for placement on the agenda which may involve data privacy concerns, which may involve preliminary allegations, or which may be potentially libelous or slanderous in nature shall not be considered in public, but shall be processed as determined by the board in accordance with governing law.
- d. The board chair shall promptly rule out of order any discussion by any person, including board members, that would violate the provisions of state or federal law, this policy or the statutory rights of privacy of an individual.
- e. Personal attacks by anyone addressing the board are unacceptable. Persistence in such remarks by an individual shall terminate that person's privilege to address the board.
- f. Depending upon the number of persons in attendance seeking to be heard, the board reserves the right to impose such other limitations and restrictions as necessary in order to provide an orderly, efficient, and fair opportunity for those present to be heard.

D. Complaints:

Routine complaints about a teacher or other employee should first be directed to that teacher or employee or to the employee's immediate supervisor. If the complaint is against an employee relating to child abuse, discrimination, racial, religious, or sexual harassment, or other activities involving an intimidating atmosphere, the complaint should be directed to the employee's supervisor or MSA's Human Resources Office. In the absence of a designated person, the matter should be referred to the MSA superintendent. Unresolved complaints or problems concerning the academies should be directed to the superintendent's office.

Complaints which are unresolved at the superintendent's level may be brought before the board by notifying the board in writing.

E. Open Forum:

The board shall normally provide a specified period of time when topics may be presented and discussed. Members of the public may request to participate in those open forums, subject to the limitations of this policy. The board reserves the right to allocate a specific period of time for this purpose and limit time for speakers accordingly. Examples of Open Forum topics that might be discussed include updates on construction projects; reports from events or conventions that MSA has hosted; updates on progress from new initiatives or programs; current information about instructional methodology, etc. People who participate in open forums to present proposals or informational items are encouraged to include written reports for the board members.

- F. The board may decide to hold certain types of meetings where the public will not be invited to address the board. Possible examples of this type of meeting are work sessions and board retreats. The public will still be entitled to notice of these meetings and will be allowed to attend these meetings, but the public will not be allotted time during the meeting to address the board.
- G. Except as determined by the board to be necessary or in an emergency, the board will not take action at the same meeting on an item raised for the first time by the public.

XI. PENALTIES FOR VIOLATIONS OF DATA PRIVACY

- A. MSA is liable for damages, costs and attorneys' fees, and, in the event of a willful violation, punitive damages for violation of state data privacy laws. (*MS 13.08, Subd. 1*)
- B. A person who willfully violates data privacy or whose conduct constitutes the knowing unauthorized acquisition of not public data is guilty of a misdemeanor. (*MS 13.09*)
- C. In the case of an employee and/or board member, willful violation of the Minnesota data practices law, Chapter 13, and any rules adopted thereunder, including any action subject to a criminal penalty, constitutes just cause for suspension without pay or dismissal. (*MS 13.09*)
