SchoolView Acceptable Use Agreement

School Year: 2015-2016

Dear MSA Parents:

How can you stay on top of your student's attendance and progress while at school? With SchoolView, you can go online any time, from any Internet-connected computer to check your student's attendance, schedule, homework assignments, grades and update your contact information (home address, phone, email, emergency contacts, etc).

SchoolView is absolutely free to you. To get online with SchoolView, please complete and return the form below and return it at or before registration. We will then provide you with the web address for SchoolView and a SchoolView access key that you will use to set up your own user name and password. With that, you'll be on your way to staying in touch with your student's daily life at MSA.

Please contact the Academies IT Specialist if you have any questions about SchoolView parent access.

Minnesota State Academies is providing parent access to SchoolView. In response for the privilege of accessing the SchoolView, every parent is expected to act in a responsible, ethical and legal manner.
