I. PURPOSE

The purpose of this policy is to ensure that students are aware of and comply with the Minnesota State Academies' expectations for student conduct. Such compliance will enhance the Minnesota State Academies' ability to maintain discipline and ensure that there is no interference with the educational process. The Minnesota State Academies (MSA) will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.

II. GENERAL STATEMENT OF POLICY

The MSA Board recognizes that individual responsibility and mutual respect are essential components of the educational process. The MSA Board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. MSA can function effectively only with internal discipline based on mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of MSA is that a fair and equitable agency-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56. In view of the foregoing and in accordance with Minn. Stat. § 121A.55, the MSA Board, with the participation of MSA administrators, teachers,

employees, students, parents, community members, and such other individuals and organizations as appropriate, has developed this policy which governs student conduct and applies to all students of MSA.

Therefore, the school-wide Code of Conduct that supports a proper academic and social setting so that all participants can enjoy a productive and positive educational experience. The Code of Conduct is subject to annual review and is published annually as part of the Parent-Student Handbook. All provisions outlined in the Code of Conduct apply to the entire school community. It is everyone's responsibility to respect the educational process. Disruptions of the educational process will not be tolerated. Infractions of this Code of Conduct will be carefully assessed and the rights and responsibilities of the student and the school community will be upheld in order to promote the safety and positive self-image of the school community and to ensure a positive learning environment.

Please refer to the Parent-Student Handbook for specific information regarding discipline, behavior expectations, and possible consequences, including investigation procedures and IEP-related steps regarding student discipline.

VII. DISCIPLINARY ACTION OPTIONS

The general policy of MSA is to utilize progressive discipline to the extent reasonable and appropriate based upon the specific facts and circumstances of student misconduct. The specific form of discipline chosen in a particular case is solely within the discretion of MSA administrators. At a minimum, violation of MSA rules, regulations, policies, or procedures will result in discussion of the violation and a verbal warning. MSA shall, however, impose more severe disciplinary sanctions for any violation, including exclusion or expulsion, if warranted by the student's misconduct, as determined by the MSA administrator in charge of the investigation. Disciplinary action may include, but is not limited to, one or more of the following

- A. Student conference with teacher, director, counselor, or other MSA employee, and verbal warning;
- B. Confiscation by MSA directors/supervisors or their designees and/or by law enforcement of any item prohibited by, or used in the violation of, any MSA policy, rule, regulation, procedure, or state or federal law. VIII. REMOVAL OF STUDENTS FROM CLASS

- A. Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parents. When such measures fail, or when the teacher determines it is otherwise appropriate based upon the student's conduct, the teacher shall have the authority to remove the student from class pursuant to the procedures established by MSA. "Removal from class" and "removal" mean any actions taken by a teacher, director, or other MSA employee to prohibit a student from attending a class or activity period for a period of time not to exceed five (5) days, pursuant to this discipline policy.

Grounds for removal from class shall include any of the following:

1. Willful conduct that significantly disrupts the rights of others to an education, including conduct that interferes with a teacher's ability to teach or communicate effectively with students in a class or with the ability of other students to learn;
2. Willful conduct that endangers surrounding persons, including MSA employees, the student or other students, or the property of MSA;
3. Willful violation of any MSA rules, regulations, policies or procedures, as outlined in the parent-student handbook; or
4. Other conduct, which in the discretion of the teacher or administration, requires removal of the student from class.

Such removal shall be for at least one (1) activity period or class period of instruction for a given course of study and shall not exceed five (5) such periods.

- B. If a student is removed from class more than ten (10) times in an academic year, MSA shall notify the parent or guardian of the student's tenth removal from class and make reasonable attempts to convene a meeting with the student's parent or guardian to discuss the problem that is causing the student to be removed from class. The student's IEP team should be convened to consider the need for a Functional Behavior Assessment (FBA) and/or a Behavior Intervention Plan (BIP).
- C. Procedures for Removal and Return of a Student from a Class and Notification Requirements: Teachers are required to follow the legal procedures prescribed in law if and when they exercise their authority to remove a student from class. Those procedures will be specified by the MSA directors and reviewed annually with teachers at the beginning of each academic year.

IX. DISMISSAL

“Dismissal” means the denial of the current educational program to any student, including suspension, exclusion, and/or expulsion. Dismissal does not include removal from class.

MSA shall not deny due process or equal protection of the law to any student involved in a dismissal proceeding which may result in suspension, exclusion or expulsion.

MSA shall not dismiss any student without attempting to provide alternative educational services before dismissal proceedings, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property.

Violations leading to suspension, based upon severity, may also be grounds for actions leading to expulsion, and/or exclusion. A student may be dismissed on any of the following grounds:

1. Willful violation of any reasonable MSA Board regulation, including those found in this policy;

2. Willful conduct that significantly disrupts the rights of others to an education, or the ability of MSA employees to perform their duties, or MSA sponsored extracurricular activities; or
3. Willful conduct that endangers the student or other students, or surrounding persons, including MSA employees, or property of MSA.

Suspension Procedures

1. "Suspension" means an action by MSA administrators, under policies developed by the MSA Board, prohibiting a student from attending MSA for a period of no more than ten (10) days; provided, however, if a suspension is longer than five (5), the suspending administrator shall provide the superintendent with a reason for the longer term of suspension. This definition does not apply to dismissal for one (1) day or less when a student with a disability does not receive regular or special education instruction during that dismissal period.
2. MSA is a special-education placement. Thus, MSA must follow all laws, rules, and regulations in the Individuals with Disabilities Education Act (IDEA). Based on this, decisions regarding suspension, expulsion, and/or exclusion must be made on the following principles:
 - a. The school principal can remove a student who is receiving special education services from his or her educational program for a maximum of 10 cumulative days per school year (including in-school suspension if regular education services are not provided).
 - b. A student can be suspended for more than 10 school days in a school year, but must receive a free appropriate public education on the 11th day and after.
 - c. The IEP team must consider if the student's behavior was caused by his/her disability. If the behavior was not caused by the disability, disciplinary action can be applied as would be with any other student. If the team decides that the behavior was caused by the disability, the student may not be suspended or removed. The team may, however, change the student's placement through the IEP process.
 - d. After a student has been suspended for 10 school days in a school year, the student's IEP team must convene to develop a FBA and a BIP. If one already exists, the IEP team must consider what revisions may be needed. Relevant members of the child's IEP team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the curriculum and to progress toward meeting the goals in the child's IEP. That meeting must occur as soon as possible after the tenth (10th) cumulative day of suspension has elapsed.

- e. A principal or instructional supervisor may order that a student with a disability be placed in another educational setting for no more than 45 calendar days if the student is in possession of a dangerous weapon or is selling, using, or possessing drugs at school or a school function, or has inflicted severe bodily injury on another at school, or school premises or at a school function under MSA jurisdiction.
- f. MSA shall implement alternative educational services when the suspension exceeds five (5) days. Alternative educational services may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessments, homebound instruction, supervised homework, or enrollment in another district or in an alternative learning center under Minn. Stat. § 123A.05 selected to allow the pupil to progress toward meeting graduation standards under Minn. Stat. § 120B.02, although in a different setting.
- g. MSA shall not suspend a student without an informal administrative conference with the student. The informal administrative conference shall take place before the suspension, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension. At the informal administrative conference, a MSA administrator shall notify the student of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the student may present the student's version of the facts. A separate administrative conference is required for each period of suspension.
- h. Each suspension action must include a readmission plan. The plan shall include, when appropriate, a provision for implementing alternative educational services upon readmission which must not be used to extend the current suspension. A readmission plan must not obligate a parent or guardian to provide psychotropic drugs to their student as a condition of readmission. MSA administration must not use the refusal of a parent or guardian to consent to the administration of psychotropic drugs to their student or to consent to a psychiatric evaluation, screening, or examination of the student as a ground, by itself, to prohibit the student from attending class or participating in MSA educational activities, or as a basis of a charge of child abuse, child neglect, or medical or educational neglect.

MSA administration may not impose consecutive suspensions against the same student for the same course of conduct, or incident of misconduct, except where the student will create an immediate and substantial danger to self or to surrounding persons or property or when MSA is in the process of initiating an expulsion, in which case MSA administration may extend the suspension to a total of fifteen (15) days.

- i.
3. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan, and a copy of the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56, shall be personally served upon the student at or before the time the suspension is to take effect, and upon the student's parent or guardian by mail within forty-eight (48) hours of the conference.
4. MSA administrators shall make reasonable efforts to notify the student's parents/guardians of the suspension as soon as possible following the incident.
5. In the event a student is suspended without an informal administrative conference on the grounds that the student will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the student and the student's parent or guardian within forty-eight (48) hours of the suspension. Service by mail shall be complete upon mailing.
6. Notwithstanding the foregoing provisions, the student may be suspended pending the MSA Board's decision in an expulsion or exclusion proceeding, provided that alternative educational services are implemented to the extent that suspension exceeds five (5) days.

Expulsion and Exclusion Procedures

1. "Expulsion" means a MSA Board action to prohibit an enrolled student from further attendance for up to twelve (12) months from the date the student is expelled. The authority to expel rests with the MSA Board.
2. "Exclusion" means an action taken by the MSA Board to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the academic year. The authority to exclude rests with the MSA Board.
3. All expulsion and exclusion proceedings will be held pursuant to and in accordance with the provisions of the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§121A.40-121A.56.

4. No expulsion or exclusion shall be imposed without a hearing, unless the right to a hearing is waived in writing by the student and parent/guardian.
5. The student and parent or guardian shall be provided written notice of MSA's intent to initiate expulsion or exclusion proceedings. This notice shall be served upon the student and their parent/guardian personally or by mail, and shall contain a complete statement of the facts; a list of the witnesses and a description of their testimony; state the date, time and place of hearing; be accompanied by a copy of the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56; describe alternative educational services accorded the student in an attempt to avoid the expulsion proceedings; and inform the student and parent or guardian of their right to: (1) have a representative of the student's own choosing, including legal counsel at the hearing; (2) examine the student's records before the hearing; (3) present evidence; and (4) confront and cross-examine witnesses. MSA shall advise the student's parent/ guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from the Minnesota Department of Education (MDE).
6. The hearing shall be scheduled within ten (10) days of the service of the written notice unless an extension, not to exceed five (5) days, is requested for good cause by MSA, student, parent, or guardian.
7. All hearings shall be held at a time and place reasonably convenient to the student and parent/guardian and shall be closed, unless the student and parent/guardian requests an open hearing.
8. MSA shall record the hearing proceedings at MSA's expense, and a party may obtain a transcript at its own expense.
9. The student shall have a right to a representative of the student's own choosing, including legal counsel, at the student's sole expense. MSA shall advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from MDE. The MSA Board may appoint an attorney to represent MSA in any proceeding.
10. If the student designates a representative other than the parent or guardian, the representative must have a written authorization from the student and the parent/guardian providing them with access to and/or copies of the student's records.
11. All expulsion or exclusion hearings shall take place before and be conducted by an independent hearing officer designated by MSA. The

hearing shall be conducted in a fair and impartial manner. Testimony shall be given under oath and the hearing officer shall have the power to issue subpoenas and administer oaths.

12. At a reasonable time prior to the hearing, the student, parent or guardian, or authorized representative shall be given access to all MSA records pertaining to the student, including any tests or reports upon which the proposed dismissal action may be based.
13. The student, parent or guardian, or authorized representative, shall have the right to compel the presence of any MSA employee or agent or any other person who may have evidence upon which the proposed dismissal action may be based, and to confront and cross-examine any witnesses testifying for MSA.
14. The student, parent or guardian, or authorized representative, shall have the right to present evidence and testimony, including expert psychological or educational testimony.
15. The student cannot be compelled to testify in the dismissal proceedings.
16. The hearing officer shall prepare findings and a recommendation based solely upon substantial evidence presented at the hearing, which must be made to the MSA Board and served upon the parties within two (2) days after the close of the hearing.
17. The MSA Board shall base its decision upon the findings and recommendation of the hearing officer and shall render its decision at a meeting held within five (5) days after receiving the findings and recommendation. The MSA Board may provide the parties with the opportunity to present exceptions and comments to the hearing officer's findings and recommendation provided that neither party presents any evidence not admitted at the hearing. The decision by the MSA Board must be based on the record, must be in writing, and must state the controlling facts on which the decision is made in sufficient detail to apprise the parties and the Commissioner of Education (Commissioner) of the basis and reason for the decision.
18. A party to an expulsion or exclusion decision made by the MSA Board may appeal the decision to the Commissioner within twenty-one (21) calendar days of MSA Board action pursuant to Minn. Stat. § 121A.49. The decision of the MSA Board shall be implemented during the appeal to the Commissioner.

19. MSA shall report any suspension, expulsion or exclusion action taken to the appropriate public service agency, when the student is under the supervision of such agency.
20. MSA must report, through the MDE electronic reporting system, each expulsion or exclusion within thirty (30) days of the effective date of the action to the Commissioner. This report must include a statement of alternative educational services given the student and the reason for, the effective date, and the duration of the exclusion or expulsion. The report must also include the student's age, grade, gender, race, and special education status. The dismissal report must include state student identification numbers of affected students.
21. Whenever a student fails to return to MSA within ten (10) days of the termination of dismissal, a MSA administrator shall inform the student and their parent or guardian by mail of the student's right to attend and to be reinstated at MSA.
22. A MSA administrator shall prepare and enforce an admission or readmission plan for any student who is excluded or expelled from MSA. The plan may include measures to improve the student's behavior, including completing a character education program consistent with Minn. Stat. § 120B.232, Subd. 1, and require parental involvement in the admission or readmission process, and may indicate the consequences to the student of not improving the student's behavior. The readmission plan must not obligate parents to provide a sympathomimetic medication for their child as a condition of readmission.

X. NOTIFICATION OF POLICY VIOLATIONS

Notification of any violation of this policy and resulting disciplinary action shall be as provided herein, or as otherwise provided by the Pupil Fair Dismissal Act or other applicable law. The teacher, director, or other MSA designee may provide additional notification as deemed appropriate.

XI. STUDENT DISCIPLINE RECORDS

The policy of MSA is that complete and accurate student discipline records be maintained. The collection, dissemination, and maintenance of student discipline records shall be consistent with applicable MSA policies and federal and state law, including the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13.

XII. MANIFESTATION DETERMINATION PROCESS

Students who are currently identified as eligible under the IDEA or Section 504 will be subject to the provisions of this policy, unless the student's IEP or 504 plan specifies a necessary modification.

Before initiating an expulsion or exclusion of a student with a disability, relevant members of the child's IEP team and the child's parent shall, consistent with federal law, conduct a manifestation determination and determine whether the child's behavior was (1) caused by or had a direct and substantial relationship to the child's disability and (2) whether the child's conduct was a direct result of a failure to implement the child's IEP. If the student's educational program is appropriate and the behavior is not a manifestation of the student's disability, MSA will proceed with discipline – up to and including expulsion – as if the student did not have a disability, unless the student's educational program provides otherwise. If the team determines that the behavior subject to discipline is a manifestation of the student's disability, the team shall conduct a functional behavioral assessment and implement a behavioral intervention plan for such student provided that MSA had not conducted such assessment prior to the manifestation determination before the behavior that resulted in a change of placement. Where a behavioral intervention plan previously has been developed, the team will review the behavioral intervention plan and modify it as necessary to address the behavior.

When a student who has an IEP is excluded or expelled for misbehavior that is not a manifestation of the student's disability, MSA shall continue to provide special education and related services during the period of expulsion or exclusion.

XIII. DISTRIBUTION OF POLICY

MSA will include references to this policy in the Parent-Student Handbook distributed annually to all students and parents/guardians. This policy shall also be posted on the MSA website for students and parents/guardians to read. This policy shall also be available upon request from the superintendent's office.

XIV. REVIEW OF POLICY

The director and representatives of parents, students and staff on each campus' site councils shall confer at least annually to review this discipline policy, determine if the policy is working as intended, and to assess whether the discipline policy has been enforced. Any recommended changes shall be submitted to the superintendent for consideration by the MSA Board, which shall conduct an annual review of this policy.
